**Sunday November 20<sup>th</sup> at 11am**

3.3 Mile Loop trail in Campgaw Mountain Reservation. This loop hike climbs gradually to the summit of Campgaw Mountain, with a sweeping view of Bergen County and the New York City skyline. The hike should take approximately 2-2.5 hours and we plan on stopping along the way for lunch.

Don't forget to bring appropriate clothing for the weather, warm clothes, plenty of water and a packed lunch. You may also want to bring a Frisbee as we will pass by some of the disc golf baskets along the way.
